What are your plans for outreach efforts to engage this audience throughout the project? What are your overarching goals for engaging this audience with your project?

How will you share information about the project and its outcomes? Do you have any community partners in mind (existing or new) that you plan to engage in the process?

### **IMPORTANT NOTES**

*All selected sites will be required to facilitate at least one community conversation with the identified primary audience to discuss accessibility in the community and library in order to collaboratively identify existing resources, needs/gaps, and priorities. Sites will be expected to revise or affirm their preliminary plans based on the outcomes of the conversation.*
