

# Great Stories Club “Empathy” and “Heroism” Final Report

## PREVIEW

---

To access your library’s final report, please log in to the grant application system (<https://ala.smapply.io/prog/greatstories/>) with your email address and password. The online final report should be submitted by **September 30, 2019** or within 30 days of your final program, whichever comes first.

### PROGRAMMING SUMMARY

Use the table below to detail your GSC programming, using values prefilled from your Program Log. Please be sure to revise dates and attendance totals to reflect the programs that were implemented. Use the description field to tell us about each event that was offered. Due to the reporting format, it may be easier to write a short summary of each program, and then copy/paste it into the description field. To begin, indicate how many programs you offered during the grant term. This number may be revised after you’ve saved your work, and you can return to the report to list and describe additional programs as they occur.

Event type	GSC Theme (pulldown with Empathy or Heroism)	Date	Location	Attendance	Moderator(s) / Speaker(s) / Facilitator(s)	Narrative description of the event <i>Please overwrite the text below to describe the event in detail (discussion topics, challenges, participant reactions, etc.)</i>
Pre-populated from original application		Pre-populated	Pre-populated			Pre-populated

### NARRATIVE

The following questions should be answered in narrative format (600 words or less). *NOTE: All fields are required unless noted otherwise.*

**Goals:** Tell us how your library defined success when planning your GSC programs. Do you feel that you made progress toward, or achieved, those goals? If so, how did you accomplish this, and if not, what were the barriers you encountered?

**Collaborators:** Tell us about your GSC collaborators. Please describe your organizational partner(s), the personnel who led or moderated your discussion events, what they contributed to your series, how you worked together, and how your program attendees reacted to them. If your partners provided any feedback on their experience working on the GSC, please tell us about it.

**Impact:** ALA would like to know how your GSC programs impacted your organization, community, and, most of all, the teen participants. Can you offer evidence of a specific benefit(s) accrued by any of these groups? How did you evaluate your programs, and what did you learn? We appreciate any direct feedback from project staff, speakers, partners, and teen participants; you may upload supporting information or examples. Comments that focus on how this grant affected participants' knowledge, thinking, discussion, or understanding of the key concepts explored are of particular interest and we appreciate your willingness to share them.

**Areas for Improvement:** Please tell us about any challenges you faced while implementing your programs. If you offered a GSC series again, what might you do differently? What might ALA do differently? As a reminder, we want to learn from your experiences and appreciate your openness in responding.

**Continuation:** How will your organization support the work undertaken or expanded through this project? What are your plans for sustaining or building on the support offered to your participants, beyond the grant term (upcoming programs/events, community support, referrals, etc.)?

**Additional Information (optional):** If there is anything else you would like to tell us about your experience conducting GSC programs, please use the space below.

### **Optional Matching Support (cash and in-kind)**

If you received in-kind or matching donations from another source, please include that information here. Library and partner organization staff time spent working on the project may also be considered in-kind support. You will be prompted to enter both the dollar amount and a brief, one-sentence description of the source. This information is strongly encouraged, but optional.

- Amount
- Source
- Type of Support
- Description

## **SUPPORTING DOCUMENTS (optional)**

The following may be provided via file upload:

- Promotional materials
- Media coverage
- Event photos
- Completed evaluations or evaluation results
